SELF-DISCOVERY ONLINE

5D TAROT WORKSHOP

Course Plan

Seven live classes, followed by online free practice meetings.

How it works

- 5D Tarot Workshop is online, prepaid and in EN
- anyone coming to a workshop can join one more future workshop for free (T&Cs apply)
- after the workshop, you can join free practice meetings, with breakout rooms in Zoom

Ethics

- we don't read the future or give advice
- readings are conversations, not lectures
- at specific points, we pass the voice to the querent
- there is no good & bad because any uncomfortable situation inevitably leads to growth
